

SOLSA CHALLENGE: PUBLIC STUDENT SELECTION NOTICE

Fondazione Hub Innovazione Trentino, in order to ensure the best performance of the Activities of the SOLSA Challenge, considers it appropriate to change the schedule of the challenge pursuant to art. 2 of the public notice dd 09/03/2023 (HITF-10/03/2023-0000219-I) as follow:

The Challenge will be organized according to the following schedule:

- Tuesday 18 April 2023: kickoff meeting aiming at presenting the Products and optimization objectives to the Solver groups by the selected companies;
- 18 April 2023 to 27 June 2023: approximately 9 weeks during which the teams will carry out the Activities independently, in collaboration with the selected Project Participants, assisted by mentors;
- Beginning of July, final event with the presentation of the Results in a private session to the Project Participants and, subsequently, in an abbreviated version without confidentiality content to an invited audience of insiders.

Trento, 19.06.2023

The Person Responsible for the Procedure

Ing. Luca Mion

Head of Technology Transfer and Open Innovation

Fondazione Hub Innovazione Trentino
