The Italian text shall prevail in the event of any discrepancy or omission with respect to the English text.

PROTO CHALLENGE: PUBLIC NOTICE OF SELECTION OF STUDENTS

Fondazione Hub Innovazione Trentino, in order to ensure the best performance of the Activities of the PROTO Challenge 2024, considers it appropriate to change the admissibility requirements for the submission of applications pursuant to art. 4 of the public notice (Method of evaluation and selection of participation applications) - as follow:

- to be enrolled at the University of Trento or at the Free University of Bolzano as a student or doctoral candidate, or to have obtained a degree not more than 18 months before the KoM of the Initiative from the aforementioned institutions.

The terms of all other articles remain unchanged.

Trento, 04.12.2023
